Family Self-Sufficiency

Our Family Self Sufficiency Success is an incredible young lady.

Lei'Asia Porter is still in high school but has participated in more informal learning opportunities and professional development opportunities than most people twice her age. Lei'Asia's family has been a big part of the Family Self-Sufficiency program. Lei'Asia's mom, Ceddrika Porter, has worked closely with her FSS Case Manager, Yolanda Coleman. In Lei'Asia's very own words, " My mother and I became more involved in our community. NAHA provided a program called Family Self-Sufficiency (FSS) for residents. FSS put together a lot of events that were free to the community. I volunteered with my mother but not willingly. I was told to come participate, so I called it 'Voluntold' . I am so glad that I did attend because it became a game changer in my life." Lei'Asia is the recipient of the 21st Century Scholar program, she is a member of the NJROTC and drill team at New Albany High School. Lei'Asia just recently wrote two separate essays and is competing for two Public Housing Authorities Directors Association (PHADA) scholarships. If she is chosen, she could receive up to \$12,000 to assist with college tuition. The scholarships are being made available to high school graduates who live in public housing or Section 8. Lei'Asia wants to attend college, and afterward, her goal is to become a firefighter. Lei'Asia says that knocking down obstacles and barriers is part of a firefighter's job description, and I think that sums it up. Given the drive and determination that Lei'Asia has demonstrated in her life, we think she will dominate any field of work she chooses.

New Albany Housing Authority is committed to your family's success! Family Self Sufficiency case managers are waiting to support & coach you into a great career. We offer Credit Repair, Home Ownership, Escrow savings and much more.
