A PUBLICATION OF THE NEW ALBANY HOUSING AUTHORITY

Neighborhoods

Published and edited by Christal Stephenson

IT'S DERBY TIME

Since the races were first run in 1875, the Kentucky Derby has been drawing thousands of celebrities, politicians, and Louisville locals to the horse track at Churchill Downs. Started by Louisville Jockey Club founder Meriwether Lewis Clark Jr., the sporting event has a long history tied to horse racing, mint juleps, and, of course, the famous Kentucky Derby hat.

Each year, a garland of more than 400 red roses is sewn into a green satin backing with the seal of the Commonwealth on one end and the Twin Spires and number of the race's current renewal on the other. Each garland is also adorned with a "crown" of roses, green fern and ribbon. The "crown," a single rose pointing upward in the center of the garland, symbolizes the struggle and heart necessary to reach the Derby Winner's Circle. What a wonderful time of the year! Please remember to safe and look out for the safety of others!

A Word From Our Interim Executive Director...

Thank you for your patience during the recent paving at our Parkview campus! We're happy to have it completed and hope you're enjoying the improvements. Spring is here, which means grass cutting season! Please be aware when the mowing crews are out and especially watch your little ones to make sure they stay safe.

Hope to see you out at our Strong Families Fun Fair!

Maintenance

Don't forget that all family sites' garbage days are on Fridays.

The Family Self-Sufficiency Success for the month of May is our very own Robin Moy. Robin has lived in NAHA since 2010. Robin has a very unique story. She held a job, working in healthcare for several years. Due to her own health issues she could no longer work in her chosen career field. This was a huge let down and Robin had to adjust her entire world. After staying home and raising her 2 daughters, Robin felt like the walls were closing in. She reached out to the FSS department and decided to give FSS a try. Robin met with her case manager and discovered she was eligible to work through a job experience training program and is now a part of the FSS office. Robin works part-time, 4 days a week as a receptionist. She is also serving as a resident representative for the NAHA Wellness Coalition and is an indispensable part of the FSS team. Robin has said that coming to work is the best part of her day. While she is enrolled in FSS, Robin is working on her goals of credit repair and home ownership. Robin is a BIG part of the FSS team so come on down to the office and say hello!
