I would like to compliment Josie Nally for the good work she has done for the Social Club as the new Social Club President. Josie also keeps the kitchen so nice and clean.

Thank you,
J.M.

NAHA / FSS Success

For the month of December we wanted a very special FSS success and we did not have to look far.

We found an Angel!

Josephine Lawson is a very special person. Josephine was born in Germany. She survived

the Nazi regime and has stories of survival. As a young girl, Josephine was forced to work in the 'Nazi War Factories'. One day she went skiing with a girlfriend and met a handsome American soldier. They fell in love and were married. Soon after Josephine was able to move to America where she raised her 2 sons. Before her husband passed away he served our country for close to 30 years. Josephine worked 17 years in housekeeping for the Marriott Hotel company. As she approached her senior years she needed income-based housing. She moved into the Mark Elrod Towers in 2002 and has been a true inspiration. Josephine works hard to do whatever is needed. She volunteers for all the NAHA senior parties, bingo, and wellness programs. She rarely stops! If Josephine is not helping out with the cooking or cleaning for the various programs, she is walking. She loves to walk. Josephine also loves to dance. While attending the last senior party she was spotted dancing with our very own Executive Director, David Duggins. At a young age of 91 she is incredibly strong, vibrant and truly looks like a lady half her age! Josephine is not only beautiful through and through, she is **UN-STOPPABLE**.

New Albany Housing says "Thank you Josephine Lawson for all you do!"

SCHOOL BUS SAFETY PRECAUTIONS

All drivers need to recognize the special safety needs of pedestrians, especially those that are children. Young, elderly, disabled and intoxicated pedestrians are the most frequent victims in auto-pedestrian collisions. Generally, pedestrians have the right-of-way at all intersections; however, regardless of the rules of the road or right-of-way, you as a driver are obligated to exercise great care and extreme caution to avoid striking pedestrians.

☐ Drivers should not block the crosswalk when stopped at a red light or waiting to make a turn. Do not stop with a portion of your vehicle over the crosswalk. Blocking the crosswalk forces pedestrians to go around your vehicle and puts them in a dangerous situation.

☐ In a school zone, when a warning flasher or flashers are blinking, you must stop to yield the right-of-way to a pedestrian crossing the roadway within a marked crosswalk or at an intersection with no marked crosswalk.

☐ Always stop when directed to do so by a school patrol sign, school patrol officer or designated crossing guard.

☐ Children are the least predictable pedestrians and the most difficult to see. Take extra care to look out for children not only in school zones, but also in residential areas, playgrounds and parks.

☐ Don't honk your horn, rev your engine or do anything to rush or scare a pedestrian in front of your car, even if you have the legal right-of-way.

☐ The area 10 feet around a school bus is where children are in the most danger of being hit. Stop your car far enough from the bus to allow children the necessary space to safely enter and exit the bus.

☐ Be alert. Children are unpredictable. Children walking to or from their bus are usually very comfortable with their surroundings. This makes them more likely to take risks, ignore hazards or fail to look both ways when crossing the street.

☐ Never pass a school bus on the right. It is illegal and could have tragic consequences.

New Albany Housing Authority Smoke-Free Policy *Effective date: August 1, 2018*

1. Purpose of Smoke-Free Policy. The New Albany Housing Authority (NAHA), in issuance of this Lease Addendum, is setting a standard to reduce the known health effects of secondhand smoke, to reduce the increased risk of fire from smoking, to reduce the cost of unit turnover due to smoking, and in general to make NAHA property a more healthy environment for all. The U.S. Department of Housing and Urban Development (HUD) has mandated housing authorities to adopt smoke-free policies.

2. Definition of Smoking. The term “smoking” means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, pipe, water pipe tobacco (hookahs), or other tobacco product or similar lighted product in any manner or in any form. This definition includes all e-cigarettes and other electronic nicotine delivery devices (ENDS). Under Indiana law, it is illegal to smoke illegal substances such as methamphetamine, marijuana, crack cocaine, heroin, etc.

3. Smoke-free Campus. Resident agrees and acknowledges that the premises to be occupied by the Resident and members of the Resident’s household have been designated as a smoke-free living environment. The Resident and members of the Resident’s household shall not smoke anywhere in the unit rented, in the building where the unit is located, in any common area or any adjoining grounds, terraces, balconies, or other parts of the residential community, or in a vehicle on NAHA property, nor shall the Resident permit any guest or visitors under the control of the Resident to do so. The use of electronic cigarettes is also prohibited in all mentioned areas as well.

4. Resident to Promote Smoke-free Policy and Alert Landlord of Violations. The Resident shall inform the Resident’s guests of the smoke-free policy. Further, Residents shall promptly give Property Manager a written statement of any incident where secondhand smoke is migrating into the Resident’s unit from sources within the building.

5. NAHA to Promote Smoke-free Policy. NAHA shall post no-smoking signs at the entrances and exits, common areas, hallways, and in conspicuous places on the campus.

6. NAHA is Not a Guarantor of a Smoke-free Environment. The Resident acknowledges that NAHA’s adoption of the smoke-free living environment, and the efforts to designate the campus as smoke-free, do not make NAHA or any of its managing agents the guarantor of Resident’s health or of the smoke-free condition of the Resident’s unit and the common areas. However, NAHA shall take reasonable steps to enforce the smoke-free terms of its leases and to make the campus smoke-free. NAHA is not required to take steps in response to smoking unless NAHA knows of said smoke and has been given written notice of said smoking.

7. Evidence of Policy Violation. The following is evidence of a policy violation:

- a. Observed smoking by a New Albany Housing Authority staff member
- b. Cigarette butts, in or immediately surrounding the unit
- c. Ashtrays (containing ashes and/or butts)
- d. Hookahs or other water pipe accessories
- e. The presence of nicotine on the unit’s furnace filter

8. Effect of Breach and Right to Terminate Lease. The follow procedures will follow violation of this policy:

1st Violation: If a first violation occurs, the household will receive a verbal warning at the time of the violation. Documentation of the incident will be added to the Head of Household’s file.

2nd Violation: If a second violation occurs, the household will receive a written warning and smoking cessation materials. Documentation of the incident will be added to the Head of Household’s file.

3rd Violation: If a third violation occurs, the household will receive a notice to attend and complete a required hazards of smoking or smoking cessation class. Proof of class enrollment, including the verification letter attached to the notice and a receipt (if applicable), must be submitted to the property manager within 30 days of the notice. A class completion certificate must be turned into the property manager by the date given on the notice. **If both of these steps are not completed in the allotted time, it will be grounds for the eviction process to begin.**

4th Violation: If the policy is violated after household members have completed smoking cessation classes, the eviction process will begin.

9. Disclaimer by NAHA. NAHA’s adoption of a smoke-free living environment and the efforts to designate the rental community as smoke-free do not in any way change the standard of care that NAHA would have to a Resident household to render buildings and premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. NAHA specifically disclaims any implied or express warranties that the building, common areas, or Resident’s premises will have any higher or improved air quality standards than any other rental property. NAHA cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke.

Any listed person may be arrested if found on the property. Any resident of public housing allowing any banned person in their residence is subject to eviction.
