HEROES

FSS

During the recent Covid-19 pandemic, many of our families were out in the community taking care of us by working in our local grocery stores and by continuing to provide elderly care, healthcare and more. New Albany Housing wants to say thank you to just a few FSS participants for being 'everyday heroes'!

Lanita Wiley is an active participant of the FSS program and a true hero. During the pandemic and for the last year, Lanita has been working as a Certified Nursing Assistant. She got her C.N.A. certificate through the FSS program. Lanita is focused on her family and her seniors at Lincoln Hills Health Center.

Rebecca Boutiller is another FSS hero. While most Americans were staying home, Rebecca went to Autumn Woods Health Campus each and every day. She cared for her seniors with love and compassion. Working as a C.N.A. Rebecca knew she was working with a high risk population but never stopped. Each and every day she went to work and made a big difference in her patients' care.

JUST FOR YOU

We understand that it's summer and our swimming options this year are slim. Even so we have to remember per your lease, pools of any kind are prohibited on the premises. This helps not only to keep the water usage for the agency low but keeps the grounds clean and clear for the grass cutters. Again we understand that it is hot and public pools are closed but here are a few other ideas to try to keep cool this summer! For more ideas you can visit:

<https://whatmomslove.com/kids/best-outdoor-water-activities-to-keep-kids-cool-summer/>

- (1) Cut a hole in a water bottle, tie it on top of your child's head and then aim to fill it up with a water gun or spray bottle!
- (2) Duck Duck Splash is a cool twist on an old classic
- (3) Grab a beach ball and a squirt gun and see who can move their ball to the finish line first
- (9) "Frozen T-Shirt Race", "Pass the Water", and "Squirt Gun Car Race"
- (10) Both toddlers and big kids will adore these Shark and Water games, including "Roll 6 and Splash", "Don't Soak the Shark" and a fun water transfer relay!
- (11) Grab a squirt gun, plastic cup and piece of string and challenge your kids to an epic Water Gun Cup Race
- (12) Who knew bowling could cool you down?! It can with Ice Bowling
- (13) Snag some empty cans and set-up a super fun Water Gun Target practice

Any listed person may be arrested if found on the property. Any resident of public housing allowing any banned person in their residence is subject to eviction.

18-Jun-20
